FISCAL ANALYSIS

ASSUMPTION

Officials at the **Office of the Governor** state Section 590.654 establishes the Task Force on Civilian Review Boards, which is comprised of nine gubernatorial appointments. There should be no added cost to the Governor's Office as a result of this measure. However, if additional duties are placed on the office related to appointments in other TAFP legislation, there may be the need for additional staff resources in future years.

Officials at the **Cole County Sheriff's Office** assume a negative unknown since the recruitment, training costs, and operational thresholds are not specified.

Officials at the **Office of the State Public Defender** and the **Department of Public Safety's Missouri Highway Patrol** and **Office of the Director** each assume no fiscal impact from this proposal.

Officials at **St. Louis County**, the **Columbia/Boone County Department of Public Health and Human Services**, the **St. Louis County Board of Election Commission**, the **Boone County Sheriff's Department**, the **City of Kansas City**, the **Springfield Police Department**, the **City of Columbia** and the **Platte County Board of Election Commission** each assume no fiscal impact from this proposal.

FISCAL DESCRIPTION

This bill creates the Task Force on Civilian Review Boards. The task force will consist of nine persons appointed by the governor. Membership may include, but not be limited to, representatives of the following groups:

- (1) Civic organizations;
- (2) Community-based organizations;
- (3) Local government;
- (4) Local police organizations;
- (5) Licensed attorneys with experience in criminal defense who are in no way involved in prosecuting crimes; and
- (6) The National Association for Civilian Oversight of Law Enforcement.

The task force must not meet more than four times annually. Members may be reimbursed for expenses but will not receive a per diem allowance. The task force must:

- (1) Clarify the civilian review board's power to receive, investigate, make findings and recommend disciplinary action upon complaints by members of the public against members of the police department that allege misconduct involving excessive use of force, abuse of authority, discourtesy, or use of offensive language, including, but not limited to, slurs relating to race, ethnicity, religion, gender, sexual orientation, and disability; and
- (2) Make recommendations to law enforcement agencies and communities that may help the civilian review board perform its duties.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
